

'A part of your daily life'

NEW 100% BIODEGRADABLE Uflex FLEXFRESH™ Liners

Extend the shelf life of fresh produce!

FRUITS up to 8 weeks*

- Provides the best shelf life extension of all available packaging solutions.
- Creates new export opportunities.
- Plant based, not fossil oil based.

VEGETABLES up to 6 weeks*

- Designed for fresh produce that is sensitive to bacterial and fungal infections.
- Suitable for 5 to 15kg fresh produce.
- Biodegradable and non toxic to the environment.

*Times depend on type of produce. Please use recommended storage temperature suited for the produce. FlexFresh™ is a patented formulation and registered trademark of Uflex.
